TOTAL							The requestor is entitled to reimbursement of \$200.97.	

Rationale for 97110 and 97113:

Recent review of disputes involving one-on-one CPT code 97110 by the Medical Dispute Resolution section indicate overall deficiencies in the adequacy of the documentation of this code both with respect to the medical necessity of one-on-one therapy and documentation reflecting that these individual services were provided as billed. Moreover, the disputes indicate confusion regarding what constitutes "one-on-one." Therefore, consistent with the general obligation set forth in Section 413.016 of the Labor Code, the Medical Review Division has reviewed the matters in light all of the Commission requirements for proper documentation. The

therapy notes for these dates of service do not support any clinical (mental or physical) reason as to why the patient could not have performed these exercises in a group setting, with supervision, as opposed to one-to-one therapy. The Requestor has failed to submit documentation to support reimbursement in accordance with the 1996 MFG and 133.307(g)(3). Therefore, reimbursement is not recommended.

III. DECISION & ORDER

Based upon the review of the disputed healthcare services within this request, the Division has determined that the requestor **is** entitled to reimbursement for CPT codes (99212, 97530, and 97024) in the amount of **\$200.97**. Pursuant to Sections 402.042, 413.016, 413.031, and 413.019 the Division hereby ORDERS the Respondent to remit **\$200.97** plus all accrued interest due at the time of payment to the Requestor within 20 days receipt of this Order.

The above Findings, Decision and Order are hereby issued this 9th day of February 2005.
